

Live Life In Balance

Balanced Body Solutions MALE MEMBERSHIP

Helping you live, feel and function - in balance

Balanced Membership - Male Edition

Strength. Energy. Clarity. Back in Balance.

Who It's For:

Men who are noticing shifts in energy, strength, metabolism, or libido, often starting in their 30s or 40s. Whether it's low testosterone, stubborn weight gain, or just not feeling like yourself, this membership supports the full picture of your health.

What You Get:

- Personalized Care Plan based on labs, history, and symptoms (*including thyroid + hormone panels based on membership plan*)
 - Routine 3-6 month check-ins with a licensed provider
 - 10% OFF Weight Loss Medications or Weight Loss membership
 - 10% OFF Peptides
 - 10% OFF IV Therapies
 - Ongoing Messaging Access for support between visits
 - 20% OFF Designs for Health medical grade supplements
 - Priority Booking & Concierge Scheduling
 - Exclusive Wellness Perks & Education
 - Testosterone Cypionate & injection supplies or Testosterone topical gel
 - 90-day prescriptions standard (unless stated otherwise by provider)
-

Common Goals We Support:

- Energy, stamina, and deeper sleep
 - Healthy testosterone & hormone balance
 - Muscle retention & improved strength
 - Fat loss & metabolic support
 - Focus, motivation & mental clarity
 - Libido, inflammation, and digestive health
-

What's **NOT** Included:

While your Balanced Membership offers an incredible foundation of ongoing support, the following services and products are **not included** in the monthly fee and will be billed separately if needed or chosen:

- **Specialized Functional Medicine testing, or labs not listed above**
- **Prescription Medications (Enclomiphine, HCG, Tadalafil, etc.)**
- **Advanced or Additional Office Visits Outside routine visits up to 4 times per year**
- **Medical Procedures, Primary Care Services, or Referrals Outside of Balanced Body Solutions.**
- **Your provider may refer you to a specialist if they require further work-up before initiating treatment or during treatment as necessary.**

**Additional fee may apply for non-routine concerns outside the visit, at the provider's discretion*

Monthly Investment

TRT only:

- \$185/monthly (billed via autopay)
- \$2,120/year (paid in full, includes \$100 off)

TRT + Thyroid:

- \$225/monthly (billed via autopay)
- \$2,600/year (paid in full, includes \$100 off)

No long-term contract. Just care that meets you where you are and evolves with you.

Cancel anytime with 30 days written notice to Balanced Body Solutions. Autopay will continue until cancellation is received by phone or email and confirmed.

Membership Pricing: We review pricing annually and may adjust rates based on lab and operational costs.

- *Annual members:* Your rate is locked in until renewal.
- *Monthly members:* We'll provide advance notice before any changes.

Important Notes

- **Refill requests:** Refills must be requested if needed **outside of scheduled visits** and require an active membership.
- **Follow-Up & Labs:** We send timely lab draw reminders, but it's your responsibility to stay up to date on labs and follow-up appointments to avoid gaps in care or medication access.

At Balanced Body Solutions, we're committed to transparency. Any additional costs will be clearly outlined in your care plan, with no surprise fees. You're always in control of what you choose to pursue.

*Ready to feel like yourself again?
Let's uncover the root cause together and create lasting change.*
